Chapter 11 case

(Jointly administered)

Order Granting Debtors Third Objection To Claim
(Duplicate Claims) Upon the third omnibus objection
to claims dated December 8, 2009 the Debtors
Third Omnibus Objection. Claims of Motor Liquidation
Company and its affiliate debtors. The Debtors,
The Bankruptcy Code, The Bankruptcy Rules, the
Procedures order (Docket 480) seeking entry of a
order disallowing and expunging the
duplicate claims, stating the Debtors, I disagree
and object to the above Rules, orders, etc by the
Debtors. All my claims should be allowed by
the courts. I would like to know who made

the mistake, and ~~separated~~ my claims to different courts, and judges to make my, Sharyl Z. Carter claims duplicated claim. It seems as though I am being held accountable and blame for the duplicate claims. After all this time, energy, stress, money I did not have, massive copying, mailing certify mail it has cost, and taken from me with all my medical problems, conditions. With both court judges, and attorneys to answer, response reply to by deadline which was very close to each other with different addresses, courts, judges, and attorney I had to mail to. I Sharyl Z. Carter respectfully ask, and request that the courts allow the Debtors and their affiliates to continue to mail, and send me notice regard all my claims on time. I also would like the Debtors and their affiliates to mail me all copies of everything concerning me and my claims, during and after these claims, cases are completed, closed.

I ask again for the courts to Allow all my claims, and cases against the Debtor

and their affiliates, also for my share of Carter claims, cases to be placed into (1) one court United States Bankruptcy Court Southern District of New York before Honorable Robert D. Drain where these claims, cases first started from. Allow my claims, ~~to~~ and do not disallow and expunge the as listed, and stated with the Debtors as they Request. Allow all my claims, case, I ask of the courts.

I do not know if my claims, cases are under the Summary Claims, just like I did not know my claims, cases were duplicate claims.

Also I do not know if this court or other courts shall retain jurisdiction to hear and determine all matters arising from or related to this order. What about my other claims, ~~as~~ and order that were Allowed by the courts. I ask the courts to come together and make the decision rather than the Debtors and their affiliates. I believe that whichever courts that the procedures claims, cases started in should make the final decisions and Allow, grant my claim against the Debtors on my behalf.

Sincerely,
Suey L. Carter
